ISM Uniform Policy

At ISM, we are committed to promoting a sense of community and belonging through our uniform policy. Below are the guidelines regarding the school's uniforms, including special considerations for Forest School, Physical Education and art lessons.

Formal Uniform

For formal school days upper garments (such as polo shirts, cardigans or pullovers) are mandatory and lower garments (such as trousers or skirts) are optional.

When choosing not to wear the lower garments, they need to be replaced by black or dark blue bottoms.

PE / FOREST Uniform

For Physical Education (PE) lessons upper garments (such as t-shirts and hoodies) are mandatory.

When choosing not to wear the lower garments, they need to be replaced by black or dark blue bottoms.

For Forest School days students have the option to wear non-uniform clothing, as long as their choice is comfortable sports wear or mountain gear that allows for active participation in the activities.

New uniform piece: Aprons

Beginning in February 2025, all students from Early Years to Year 6 are required to bring an apron from home to use during art lessons and other specific activities. Additionally, students from Nursery to Year 2 will also wear the apron during lunchtime.

Please, find below a couple examples from Amazon:

Key Stage 1 apron

Key Stage 2 Apron

Field trips / Educational visits

It is always compulsory to wear the uniform (Formal or PE) during field trips and educational visits.

Non-Compliance Procedure

If a student is not wearing the required uniform when coming into the school in the morning, the following steps will be taken:

1. The school will contact the family to ask them to bring the appropriate uniform to school for the student to change into.

2. If there are three instances of a negative response to the request for the uniform, the school will provide the student with a piece of clothing (polo shirt or t-shirt) and the cost will be added to the family's fees for that month.

We appreciate the cooperation of all families in adhering to this policy, as it helps maintain the integrity and unity of our school community.

INTERNATIONAL SCHOOL MARESME

Make-up

At our educational institution, we consider it essential to maintain an environment conducive to learning and coexistence. Consequently, the use of makeup among students during school hours is not permitted. This decision is rooted in the need to promote equality and concentration on academic activities, while minimizing distractions that may arise from the use of cosmetic products.

The implementation of this regulation aims to promote a natural and authentic image of each student, as well as to facilitate an environment in which all individuals can feel comfortable and respected.

ALL UNIFORMS MUST BE CLEARLY MARKED WITH THE OWNER'S NAME

Regrettably, the School cannot take responsibility for loss or damage to property.

Please, contact office@internationalschoolmaresme.com to purchase your children's uniform.

*The old uniform will serve as suitable clothing until your child outgrows it.

We appreciate the understanding and support of the entire educational community in adhering to this policy, which aims to preserve the essence of learning and the personal development of our students.

Any parents with concerns regarding the uniform policy should address them directly to the Senior Leadership Team (SLT).
