From 23rd to 27th - Summer camp

From June 30 to July 4 - Summer camp
From 7th to 11th - Summer camp
From 14th to 18th - Summer Camp

Rights of the child

As a leading school in promoting children's rights, we believe it is essential for our students and the entire school community to be well-informed about the rights of children.

Headteacher's message

At International School Maresme, we believe education is not only about learning, it's about igniting passion and growing together with curiosity, respect, and commitment.

This term, we wrapped up our efforts with an unforgettable residential colonies trip. From Nursery to Year 11, all our students enjoyed several days packed with activities, sports, and even a night disco! We also continued our pool lessons at H2O, providing a fun and effective way to stay active and promote a healthy lifestyle.

We took special moments to connect with nature during our forest sessions and visits to our chicken farm, experiences that remind us of the importance of being in tune with the natural world around us.

Our sense of community grew even stronger when our secondary students spent time reading to the younger ones, a heartwarming activity that reinforces the idea that we are more than just a school; we are a big family.

We also delighted in our annual international breakfast, with this term's event hosted by Year 9 offering a culinary journey through dishes from Belgium, Holland, and Lithuania.

One of the term's shining moments was when Mila, one of our Year 11 students, won 1st prize in a public speaking competition organised by 4voices International at CosmoCaixa (Barcelona), impressing a full, enthusiastic audience with her eloquence and confidence.

We ended the term by selecting new captains who embody our core values of kindness, respect, and resilience, leaders we are incredibly proud of.

We can't wait to start the final term of the academic year, and what better way to kick it off than with our Sant Jordi Celebration during the first week of school on the 23rd.

Warm regards,

Maria Pla and Mònica Llavador

Unforgettable School Colonies Adventure

Days packed with action and fun flying over the pool on a rocket zipline, exploring by bike and kayak, sailing the sea, climbing, archery, and dancing the night away.
A truly memorable experience for everyone!

Mila's heartfelt speech won 1st prize

We are incredibly proud of our Year 11 student Mila, who won 1st prize at the 4Voices public speaking competition held at CosmoCaixa in front of a full audience. When she first joined us, she barely spoke any English and now she's delivering powerful, heartfelt speeches that move the crowd. What an inspiring journey!

New Captains

Our new school captains proudly wear their bracelets as a symbol of the values they represent. These leaders embody resilience, kindness, and respect, qualities that inspire our entire community. Their commitment to these core principles not only unites us as a family, but also sets the stage for a year full of growth and positive change.

Pool lessons continue at H2O

Our primary students have been enjoying their pool lessons at H2O in Canet de Mar. This refreshing experience is not only fun but also a fantastic way to keep active and promote a healthy lifestyle. The lessons help our young learners build strength, confidence, and essential swimming skills, all while having fun!

EY & KS1 moments

Drinking milk during the break!

Celebrating Iker's birthday!

Feeding the chickens!

Alberto enjoying the lunch!

Y de repente, Perthes.
An amazing book by Leo.

Creative Projects by Year 4 and Year 6.

Year 7 Talks Mental Health with Our Headteacher.

Year 8 Gets Creative with Coding in ICT Class.

Expressions in Colour and Form: Art by Our Secondary Students

Sharing Stories with Early Years

One of our favourite activities at ISM is when Secondary students read to our youngest learners in Early Years. These special moments not only encourage a love for reading, but also strengthen our sense of community. It's beautiful to see older students take on a leadership role, building confidence and connection while inspiring curiosity and imagination in the little ones.

Peer Teaching in Action: Year 9 Students Share Their Knowledge.

International Breakfast at Year 9!

Outdoor Science Fun with Year 9

Parent-Led Assemblies

This term, our Secondary students had the chance to enjoy two inspiring parent-led assemblies. One focused on bullying prevention and the other about the Science of Ice: Glaciers, Mountains & Antarctica.

We are incredibly grateful to the parents who generously shared their time, knowledge, and passion with our students. These assemblies not only broaden our perspectives but also strengthen the bond between school and family, making our learning community even more vibrant.

Thank you!

Thank you for taking the time to read our newsletter. We greatly appreciate your continued support and involvement in our school community. If you have a moment, we would love to hear your feedback. Please leave a review on Google and help us continue to improve! Your feedback is very valuable to us.
